Introduction

Established in 1999, Chesterfield Insurance Brokers is a leading Lloyd's insurance and reinsurance broker that provides bespoke services to support our clients' growth and success.

We have the strength and capability to out-perform even the biggest and best known International brokers across a wide variety of business lines, including the Political Violence sector.

Following our acquisition by the Kaufman Group in January 2012, we are well positioned to service our global clients with strong financial backing, operational independence and an experienced team of insurance professionals.

Your Political Violence team

Our professional brokers have successfully supported a wide range of clients, on a Worldwide basis from major Industrial and Commercial Enterprises to Hotels and Hospitality risks.

As your broker, we will negotiate the most competitive terms on your behalf in all major insurance markets. Our specialist Political Violence team has excellent technical knowledge, plus a deep understanding of the risks you face and how best to protect them with secure high quality risk carriers.

You will benefit from a single point of contact and a dedicated team that will service all your Political Violence and Terrorism insurance needs and requirements.
