

Chesterfield Group

chesterfieldgroup.co.uk

Working together in the Film, Television and Media Industries

At fast growing Chesterfield we have extended our specialist business lines to include the placement of insurance requirements in the Film, Television and Media Industries.

We now offer you the opportunity to build your market share in these industries by delivering flexible and competitive solutions to meet the specialist needs of clients.

By providing new covers to clients, you can open the doors for new business and retain the general/local covers in your local markets. We can provide direct support for clients specialist needs by using our extensive knowledge of the industry to ensure they secure the ultimate cover at the right price.

Our policy coverages will meet the contractual obligations for clients in providing the necessary insurance in accordance with the European Commercial Film Producers contract (May 1995).

Chesterfield has access to all the key markets engaged in this business, including Lloyd's underwriters. We are very competitive in pricing and have capacity up to € 3,000,000 per production.

Chesterfield is an independent, professional, energetic and approachable company.

Product Detail

Commercial Producers Indemnity

There are five sections to this coverage designed to provide the main area of cover to a production for the Production Company. Non-appearance of Key Crew and Artists engaged by the Production Company, Extra Expense, All Risks on Negative and Videotape including whilst in safekeeping and storage, All Risks on Equipment including continuing Hire Charges and Props, Set and Wardrobe.

Advertising Agents Contingency

There are four sections to this coverage designed to provide the main area of cover to a production for the Advertising Agency. Non-appearance of artists and extras engaged by the Advertising Agency, Death and Disgrace of all artists including celebrities, withdrawal from transmission from any cause and All Risks cover on the Product.

Adverse Weather

Cover to protect the production against the cost to re-shoot a particular day affected by adverse weather from Precipitation Only through to Sunshine cover, including high or low wind speeds anywhere in the World.

Professional Indemnity/Errors & Omissions

Cover to protect Production Companies against their contractual obligations in respect of copyright infringement or alleged copyright infringement and Advertising Agencies for their contractual obligations for the oral or visual content of commercials and the copyright or moral rights to materials supplied by them for their commercials.

Terrorism and War

To protect against additional costs following the cancellation, abandonment, interruption or postponement of a shoot affected by a terrorist act or act of war.

Office Combined

Cover to protect the contents of the office against loss or theft and additional expenditure to continue trading in the event of a total loss.

Employers Liability/Workers Compensation

Depending on the country of domicile of the employees, whether permanent or freelance, specific cover will need to be taken against death or injury following a negligent act by the Client.

Public Liability/General Liability

Cover protects the Client for the legal liability for injury to third parties and damage to third party property. Limits depending on the location country vary from € 2,000,000 to € 20,000,000.

Motor Insurance

If a vehicle is being used in front of camera for a commercial, it is a legal requirement for cover to be placed on that vehicle. Short period cover available from one day to fourteen days.

Personal Accident and Travel

To protect crew and artists whilst travelling overseas on recces or productions.
