Chesterfield Insurance Brokers Ltd is authorised & regulated by the Financial Conduct Authority in respect of general insurance business.

Designed by Redleaf Communications

Marine Insurance Specialists

Chesterfield Group

Broker at **LLOYD'S**

Our products

At Chesterfield Group, we specialise in Marine and Energy liability risks, including:

Maritime Employers' Liability (M.E.L)

We offer both primary and excess capacity for the marine and energy industries. Soft risk such as consultants geologist, through to hard MEL divers, caterers welders, drilling contractors.

Primary Package Insurance

We can provide a primary package MEL/CGL/P&I or combinations thereof. This is one policy with separate limits and one deductible, in the event of a claim and all sections are triggered.

Protection and Indemnity (P&I)

Primary and Excess Protection and Indemnity coverage for all commercial and private pleasure vessels.

Hull Insurance

Commercial Blue/Brown water vessels. Yachts and Super Yachts.

Umbrella / Excess Liability

Policy designed to sit over primary liability Insurance and will sit above MEL, P&I, CGL, Auto, EL, Pollution or any other combinations thereafter. USD 100 mil limit readily available.

Remote Operated Vehicles/Marine Equipment

Worldwide comprehensive all-risks coverage for any of the following marine equipment: Remotely Operated Vehicles (ROV) and Autonomous Underwater Vehicles (AUV). Oceanographic survey equipment, On vessel fixed equipment not covered by a hull insurance policy (cranes, decompression chambers, etc).

Operators Extra Expense/Control of Well

Policies covering Control of Well, Re-drilling/Extra Expense & Seepage and Pollution, Clean-up and Contamination.

Professional Indemnity

All classes of Marine and Energy operations, consultants, surveyors etc.

Comprehensive General Liability

We offer comprehensive cover for ports, Ship yards, wharfingers, stevedores and most marine operations.

Marine Reinsurances

Bespoke reinsurance options.

About us

Chesterfield Insurance Brokers Ltd is a registered Lloyd's broker with our headquarters located at the heart of the London insurance market.

The market's immense pool of underwriting capability and capacity is a short walk from our London office.

Our brokers are all seasoned professionals with many years' experience and strong relationships across the underwriting community, including our senior management team, who still take an active hands-on role in placing our clients' business.

All of our insurance professionals, including our claims and technical teams, are based in one office and work as one team to provide our clients with the best possible service.

Your Independent London Partner

We are an independent insurance broker with the strength and capability to out-perform our competitors.

Access

We have access to and strong relationships with leading risk carriers, who provide significant capacity, competitive pricing and first-class security, producing direct benefits to our clients.

Protect your growth and success

Since our formation in 1999, our hands-on client focused approach and ability to deliver imaginative, cost-effective insurance solutions has supported our clients' growth and success.

Working together, we will support your future.
