

# Managing General Agents - Delegated Underwriting

## Your access to Lloyd's & International Insurance Markets

---

At Chesterfield, we are MGA specialists who will partner with you and negotiate bespoke underwriting contracts and niche binding authorities that will help you establish new entities, expand into new areas of business, manage existing business better or reduce your costs.

Rest assured, at every stage you will be supported by a dedicated expert team that understands your business and knows how to deliver the results you seek.

We specialise in the pre-planning, establishment, launch, operational support, diversification, sale, conversion and relaunch of MGAs.
