

Oil & Gas Consultants

Introduction

We specialise in Oil & Gas upstream consultants emanating from the USA. We have an exclusive prior submit Binding Authority with Certain Underwriters at Lloyd's of London. We offer competitive rates for small to medium sized risks on a primary and excess basis.

Our policy offers combined Commercial General Liability and Professional Liability coverage, which will comply with your clients' insurance requirements.

Acknowledgement and/or quote times are within 18 hours and no longer than 36 hours
